So I can talk up until 12:30 when I board my plane, then again around 2 until 3 during my lay over. As for the desk statement I will check with Antonio and Mindy

Hi! . I know Dave and Lee had a call re: FL 404 on Wednesday at 11 am and there was a second call on FI assumption at 5 pm yesterday. I was out Ex. 6 Personal Privacy (PP) but back in the saddle today. Let me first catch up with Dave and Lee on all things 404 (FL status/ our outreach strategy/ status of our 4045 USACE amplification letters) and then let's connect. Sounds good? It might be after 11 though- what's your availability today?

Also, any edits the statement we would use upon receiving the official assumption request package from FL? I was hoping to provide to Dave and Lee for review and approval when I catch up with them today. Thanks! -Allison

Can you and I talk at 11? Hearing many rumors and thinking you may have insights.

Hi guys, just checking back on this ask. I'll of course need to run this by Dave and Lee and OPA too, then share the final approved back with R4.

How's this for a statement to use when we have rec'd the assumption package from FL?
